Hi All,

I would like to take a moment to clarify how to access our "Catch-All Camps" through NDIS Funding.

Aussie Kids Adventure Camps is accessible to everyone who has a **Self Managed or Plan Managed** NDIS Package. If your plan is **NDIS Managed** 'Aussie Kids Adventure Camps' is registered under the **Capacity Building** category - Innovative Community Participation/Increased social and community participation.

If all your funding is allocated in the **Core Supports** category and you are **NDIS Managed** you would need to either change your plan to be partially Self or Plan Managed or have a proportion of your funds available through the **Capacity Building** category. I have been informed that you can make these changes at anytime.

If you have any further questions or your NDIS Plan Manager needs clarification please don't hesitate to ask.

Kind Regards

Tamara Griffiths
